RESPONSE TO RESTRICTION REQUIREMENT

MS Amendment Commissioner for Patents P.O. Box 1450 Alexandria, VA 22313-1450

Dear Sir:

In response to the restriction requirement set forth in the Office Action mailed October 29, 2004, applicant hereby provisionally elects claims 1-22 for continued examination, with traverse.

The Examiner has required restriction between Group I, claims 1-22, drawn to an optical information recording medium comprising different layers, and Group II, claims 23-24, drawn to a manufacturing method for an optical recording medium.

The Commissioner may require restriction if two or more independent and distinct inventions are claimed in a single application (37 CFR 1.142(a)). In the present case, although the claimed subject matter may be classified in different classes, the inventions are not independent.

3658**26**

Docket No.: 21994-00013-US

Application No.: 09/695,866

If the Examiner is aware of another method to make the product as claimed, using a process which is materially different from that set forth in the restricted claims, applicant respectfully requests the Examiner to substantiate his position in greater detail. Otherwise, it is respectfully requested that the restriction requirement be withdrawn, and that each of claims 1-24 presently pending in this application be examined.

Applicant believes no fee is due with this response. However, if a fee is due, please charge our Deposit Account No. 22-0185, under Order No. 21994-00013-US from which the undersigned is authorized to draw.

Dated: November 10, 2004

Respectfully submitted.
